Shane McAfee, General Manager

Dear Mr. Shane McAfee:

I am writing to extend my strongest endorsement for the Greater Vallejo Recreation District Glen Cove Water Front Park project in collaboration with grant funds received from Delta Protection Commission and San Francisco Bay Trail.

The Master Plan proposes a rehabilitation project for the fifteen acre site located in southern Vallejo, on the north side of the Carquinez Strait. The recreational elements the Greater Vallejo Recreation District proposes for these grants funds are geared toward establishing the Bay Trail connection along with amenities to enhance access to the waterfront and provide crucial link to two regional trail systems (San Francisco Bay and Bay Area Ridge Trails). The grant funds would allow the Greater Vallejo Recreation District to restore this essential park site for the Vallejo Community.

As, Senator, I acknowledge the Master Plan and Environment impact Report (EIR) prepared by the Greater Vallejo Recreation District was a community effort and that it not only provides trial and water access, but also restores the area to its natural state and protects into perpetuity the Historical cultural site in the area. I urge your favorable consideration of this request. Thank you for your time and commitment to this unique project.

Sincerely,

*Pat Wiggins*
